German Tinnitus and Hearing Foundation Charité
Luisenstr. 13
10117 Berlin
Germany

Date 30 September 2024
Re. Application

Dear members of the Tinnitus and Hearing Foundation Charité,

I am delighted to be able to apply for the Research Prize of your Foundation. Enclosed please find my application materials. I attach the following documents:

- A brief application (2 x A4)
- The application form, stating that my co-workers agree to this application
- My CV
- My publication list
- Three recent publications on diagnosis of pulsatile tinnitus, the role of the flocculus in tinnitus, and the role of motor brain areas in hyperacusis, respectively.

I further confirm that this application has not been sent elsewhere. Also, it will not be sent elsewhere before the Foundation Charité has reached a decision on the Research Prize.

Should you require any additional information, please do not hesitate to contact me. I look forward to your evaluation of my application.

Sincerely yours,

Prof.dr. Pim van Dijk
Professor of Audiology
Medical Physicist - Audiologist
Dept. of Otorhinolaryngology, University Medical Center Groningen
